

# North Country Riding Club Riding Ring Project “Sponsor a Section”

## NCRC Mission:

North Country Riding Club is a non-profit organization that is committed to provide an organization that promotes family horse activities, fair competition, good horsemanship, and a fun, supervised horse activity for all young people and adults. We are also committed to provide an opportunity for equine enthusiasts of all ages and levels of expertise and abilities to ride, show, and compete in an atmosphere focused on safety, fun, and skill building for both horse and rider.

## Purpose of the Project:

This campaign is to help the club to extend the ring and to refurbish the sand and fencing around the existing ring. Our ring has been in existence since 2000; therefore, we have lost a lot of sand and the fencing needs replacement. Also our Club would like to extend the ring another 20 feet in order to make it safer for our jumps and game show classes.

In order for us to do so, we need your support. We are offering to our fellow businesses and supporters an opportunity to do just that. We will put your banner (5' x 8') on a section of our fence so that all of our riders and spectators will see this throughout the years. This section will cost a one-time fee of **\$250** which includes the cost of your banner or **\$150** and you supply the banner.
