

COVID-19 RESTRICTIONS FOR NCRC GAME SHOWS

NCRC is limited to a total of 50 people at our shows. This includes helpers, riders, and spectators. Therefore, we have limited two people from a family to be a groomer and guardian for their family members that are riding. Therefore, we are asking that you do not bring extra family or friends with you.

In order for our Club to know in advanced who will be coming, we are requesting that our riders pre-paid register for our shows. Because of the limited number of riders this year, we will be charging the rate of \$30 for everyone.

We must maintain 6 feet of physical distance between us.

We encourage you to bring your own hand sanitizer with at least 60% alcohol for use in our portable toilets even though we will be having sanitizer available.

Cloth face coverings in public settings where physical distancing measures are difficult to maintain will be required. When competing, the rider is not required to wear a face mask.

We will not be having a concession stand available this season. Please bring your lunch with you. We will have an hour break for lunch for those who would like to order from our local stores.

Because of limited funds, we will not be having a year-end awards banquet. If you have already paid for year-end, we will be applying it to the 2021 season. For our equitation participants, we will apply your membership and year-end awards also to the 2021 season.

Because of limited funds, NCRC will be mailing certificates to our participants for their class award and day-end awards instead of ribbons.

It is, therefore, very important that you fill out the Number of members in your group that will be riding, the groomer, and the guardian in order for us to keep in the 50 people gathering.
